

Save "Greenery".

Drawings & Slogans for tree planting campaign exhibition 2009

"Drawings & Slogans for tree planting campaign exhibition 2009" was held at the Entrance Hall of Tokyo Big Sight for four days, from March 17th to 20th. This event is held every year by Tokyo Afforestation Promotion Committee. 1,131 drawings and 1,228 slogans were applied by students and citizens of Tokyo. From among those, 240 drawings and 22 slogans were displayed. Importance of greenery and nature, hopes for our planet Earth, and interaction with nature and animals were expressed in the colorful drawings and slogans with impact. The works were full of strong thoughts of wanting to save "Greenery" and they gave us a good opportunity to think about it.

On March 20th, awarding ceremony was held, and award winners received warm applause.

We, Tokyo Big Sight Inc. will continue to take environmental measures and to support cultural and social activities.
