

**Announcing JIMTOF 2026: The 33rd Japan International Machine Tool Fair**  
**Date: Monday, October 26 to Saturday, October 31, 2026**  
**Venue: Tokyo Big Sight**

The Japan Machine Tool Builders' Association (Chairman: SAKAMOTO Shigetomo) and Tokyo Big Sight Inc. (President & CEO: KUGA Hideo) will hold **JIMTOF 2026: The 33rd Japan International Machine Tool Fair at Tokyo Big Sight for six days from Monday, October 26 to Saturday, October 31, 2026.**

JIMTOF, one of the world's largest international technology shows, brings together cutting-edge technologies and products. The fair serves as a comprehensive showcase of items from across the manufacturing spectrum, ranging from machine tools to peripherals of all kinds.

Since 2008, JIMTOF has traditionally taken place over a period of six days, including Saturday and Sunday. However, this year, the fair will run from Monday to Saturday, adding an extra weekday to better align with today's business practices.

**【Main features of JIMTOF 2026】**

**① A compelling collection of the latest cutting-edge technologies and products: Enhancing JIMTOF's pull as an international technology show**

JIMTOF brings together Japan's top-tier machine tool technologies and products, attracting strong interest from both users and buyers in Japan and abroad. The JIMTOF Fair Management Office will continue to engage in extensive promotional activities to provide visitors with as much information as possible on new products and technologies.

**② Concurrent programs to meet the needs of the times: Hosting a variety of captivating concurrent programs and special exhibits**

JIMTOF offers much more than just booths showcasing new products and technology. As organizer, we also host a wide variety of concurrent programs designed to enhance our presence as a premier international technology show. JIMTOF 2026 will feature insightful lectures, special interactive exhibits highlighting the latest trends in technology, and events for students who are the future of the manufacturing industry.

**③ Extensive services for exhibitors and visitors: Organizing a sustainable, high-quality exhibition through digital transformation (DX)**

To enhance convenience and sustainability, the organizers are promoting DX initiatives, including the use of E-invitation (Electronic invitation), digital signage at the venue, and AI-powered support for overseas visitors. We also aim to maintain visibility and engagement for JIMTOF and the industry at large via our YouTube channel, "JIMTOF INSIGHTS", which delivers broad manufacturing-related content with a focus on the machine tool industry.

**【Exhibitor application schedule】**

•Application period

Exhibitor Type	Application period
Members from organizing associations, cooperating organizations, and overseas associations	9:00 on Wednesday, October 1 to 23:59 on Friday, October 31, 2025 (JST)
Non-members in Japan and overseas	9:00 on Tuesday, November 4 to 23:59 on Tuesday, November 18, 2025 (JST)

- Application method: All applications should be made via the official JIMTOF website. Exhibitors should apply by completing the Exhibitor Application Form, which is available on the official website.

## 【Outline】

Name: JIMTOF 2026 (The 33rd Japan International Machine Tool Fair)

Dates: Monday, October 26 to Saturday, October 31, 2026

Venue: Tokyo Big Sight

Organizers: Japan Machine Tool Builders' Association / Tokyo Big Sight Inc.

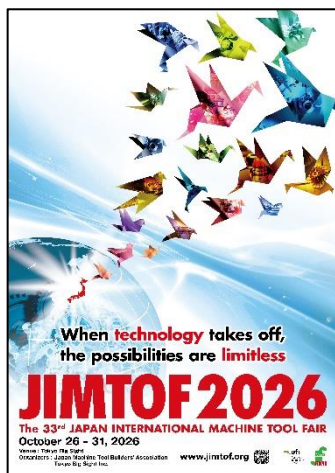

Exhibit categories: Machine tools (Metal cutting, Metal forming) / Machine tool accessories/

Tools for machines (Cutting tool & wear-resistant tool) / Diamond, CBN tools/

Grinding wheels and abrasives /Gears and Gear Devices/ Oil hydraulic, water hydraulic and pneumatic machinery/ Precision measuring machines and instruments/ Optical measuring instruments/ Testing machinery/ Controller and related software (CAD/CAM etc.)/

Other associated machinery and equipment, raw materials, technologies and publications

## 【Key visual】

- Catchphrase: **When technology takes off, the possibilities are limitless**

- Concept: The "origami birds" including origami cranes represent cutting-edge manufacturing and technology that will be passed on to the next generation. The colorful birds symbolize the various industries related to machine tools, portraying the industry as a whole as it takes flight toward the world and the future through JIMTOF.

Our motto of "When technology takes off, the possibilities are limitless" expresses our hope that the advanced technology of the machine tool industry gathered at JIMTOF takes off to further heights, leading us to a limitless future.

### < Japan Machine Tool Builders' Association >

Chairman: SAKAMOTO Shigetomo

Est. December 1951

Japan Machine Tool Builders' Association was established with an eye to ensuring the overall growth of the machine tool industry and contributing to the sound development of the Japanese economy.

With the goal of becoming a holistic organization representing the full spectrum of the machine tool industry, JMTBA includes members from software companies, such as CAD/CAM providers, peripheral equipment manufacturers, and 3D additive manufacturing companies. As of July 2025, the association has 111 members.

Exhibition Management Team

### < Tokyo Big Sight Inc. >

President & CEO: KUGA Hideo

Est. April 1958

Tokyo Big Sight Inc. organizes and manages exhibitions held at Tokyo Big Sight and handles operations of the facility itself.

In 2024, the team organized a total of five exhibitions, including JIMTOF, Japan International Aerospace Exhibition (JA), and Security & Safety Trade Expo (RISCON TOKYO).
