

Tokyo Big Sight Initiatives

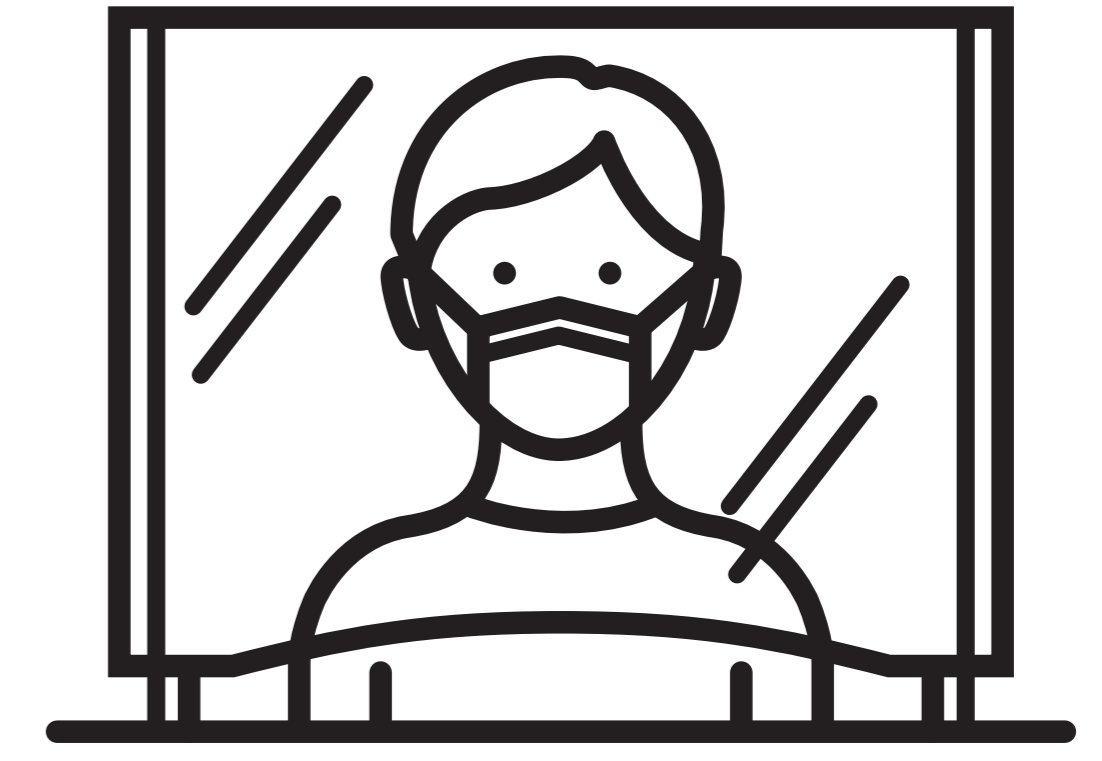

Daily, our employees **conduct temperature and physical checks.**

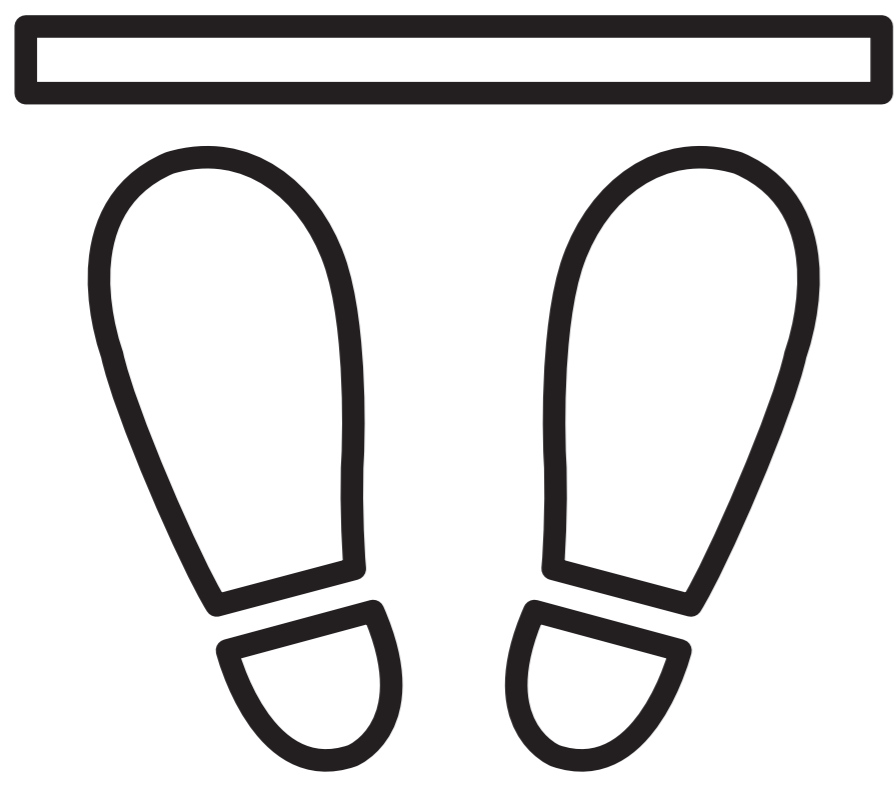

Our employees **wear masks and thoroughly wash their hands.**

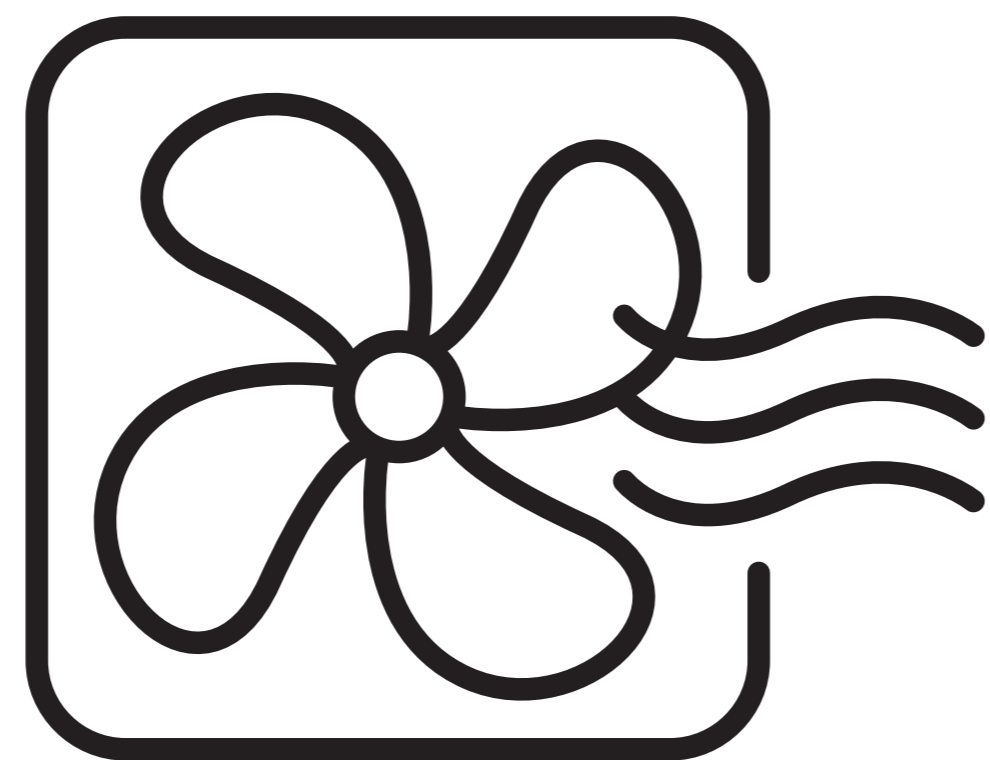

A **disinfectant solution is installed** at the venue entrances and exits.

A **splash-proof sheet is installed** at the venue information booths.

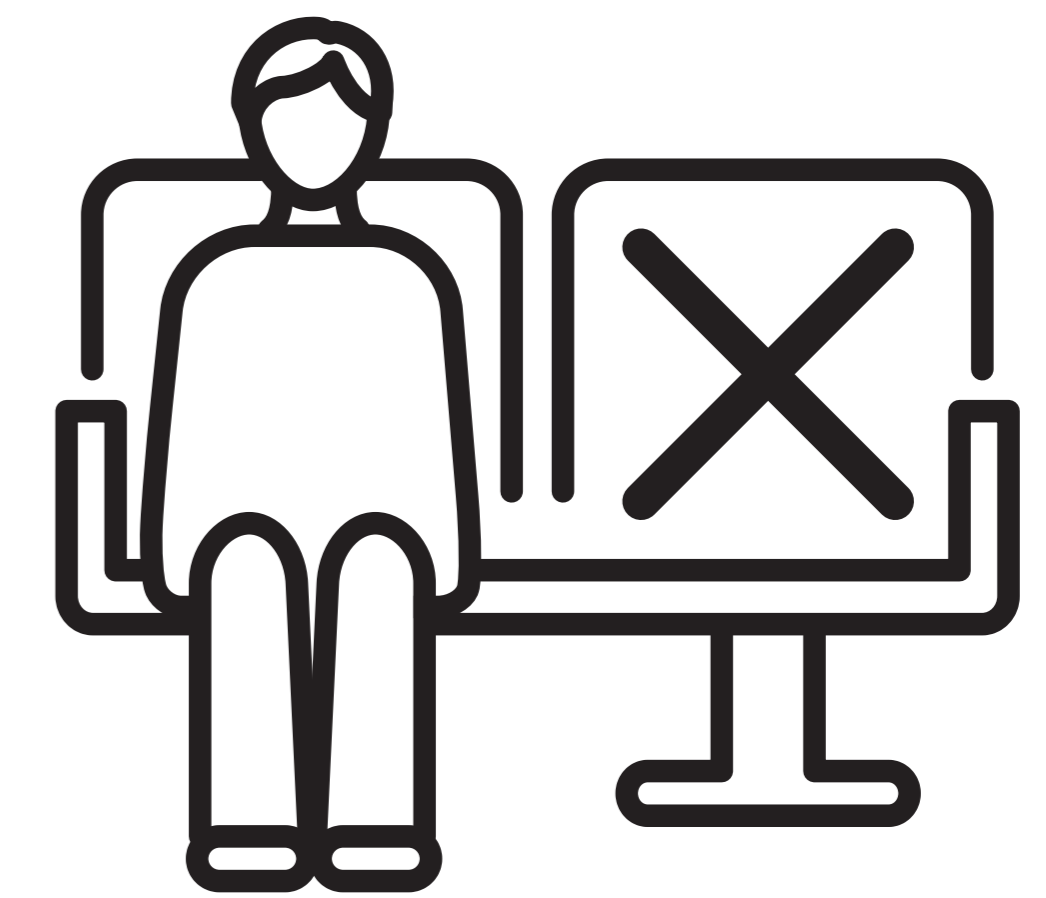

In areas where congestion is anticipated, **markings are provided to ensure visitors maintain the proper distance** between each other.

The venue is **regularly ventilated.**

All locations and fixtures and the like in our venue that our visitors will touch are **regularly cleaned and disinfected.**

Some venue facilities, such as resting spaces and smoking areas, **are restricted.**

Requests to Visitors

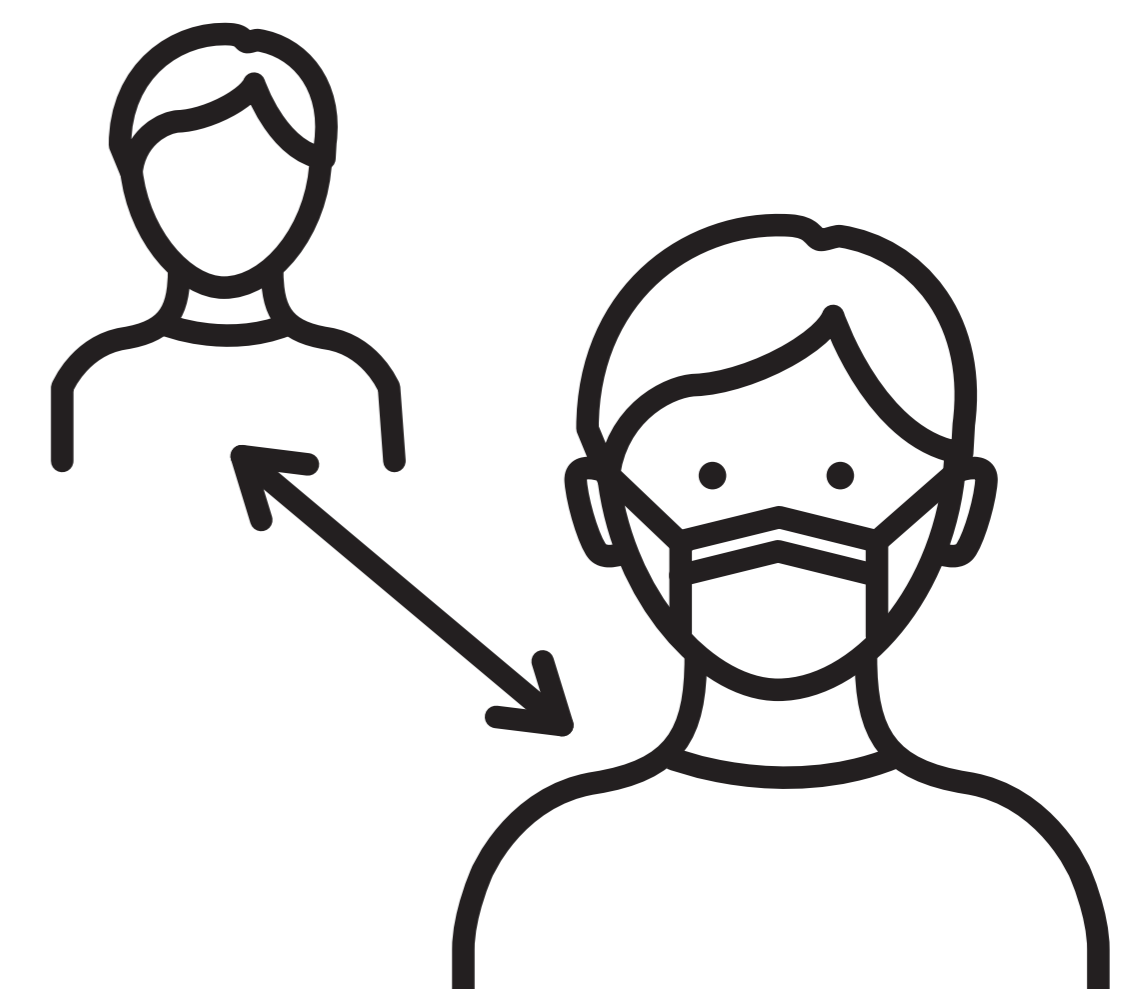

Refrain from visiting if you **have a fever (above 37.5°C), a cough, or are not feeling well** (tired, difficulty breathing).

Wear a mask when visiting the venue and always **apply the disinfectant** made available for your convenience.

When using the venue facilities (shops, resting spaces, restrooms, and others), please cooperate by **carefully washing your hands** and **being courteous to others** when you cough.

Be sure to **keep a physical distance from other visitors** when in queues, or when riding the escalator and the like.
